

## Informed Letter of Consent for 2:10 Youth Network Online Engagement and Photo/Video Release

As is the case in all of our activities, Awana International Canada strives to set the highest standard possible when it comes to protecting children, youth and leaders. We are a committed partner of Plan to Protect.

**Activity:** 2:10 Youth Network (events and ongoing Network engagement). The 2:10 Youth Network is an initiative of Awana International Canada aimed at developing young leaders. The 2:10 Youth Network exists to create a network of young leaders who grow in their faith, character and ability with the purpose of serving together. Participants will be invited to 1-day events approximately once per year and will have ongoing engagement with 2:10 leaders and other participants throughout the year.

**1-day Events:** Events will be hosted on an Awana licensed zoom platform and will be monitored by Awana leadership. All sessions will be recorded for security purposes and maintained on a confidential drive permanently. You can review our Video Platform Policy for Online Engagement on our website or ask for a copy.

**Ongoing Network Engagement:** We currently promote 2:10 @210.network on Instagram and facebook but have a private group on Instagram where young leaders/participants are invited to join and are encouraged to engage with one another. Young people are encouraged to use the hashtag #createdtodogood where they can choose to posting photos and on service activities and challenges. We will also be using private community page on the Awana website so access to Instagram is not necessary to participate.
