

Awana is teaming up with Compassion for maximum impact.

Awana loves kids! Compassion loves kids! Together, we want to reach 4,000 kids with the gospel in Uganda! We will be doing this through training leaders to launch Awana clubs across Uganda in locations where Compassion is already involved! This project will help the fastest growing Awana region continue to reach more kids, equip more leaders and change their nation for Christ!

Fundraising Goal: \$40,000

Our partnership with Compassion allows us to help meet both the spiritual and physical needs of these children. Compassion partners with the local church to provide children with education, food, clothing and other necessities. Compassion also cares for a child's spiritual needs through programs that develop a personal relationship with Jesus Christ. Awana is the perfect partner for this aspect of Compassion's ministry.

Your fundraising dollars will go towards starting Awana clubs in Uganda, so that kids will have a fun place to meet friends while learning about Jesus' love.

Why Uganda?

While Uganda is a country where the doors are wide open for missions work, it is also a country steeped in witchcraft and false religion! The church and its leaders are eager to be trained and to do the work of evangelism with children. They are asking for training, and are ready and waiting to get started.

So we ourselves should support them so that we can be their partners as they teach the truth.
